Children's Place Summer at the Plaza 2014

*"Our early childhood center is a
diverse community of families
and educators that inspires our
children to be confident
individuals, community-minded
citizens, and life-long learners."*

Welcome to the school-age summer program at Children's Place at the Plaza! We are planning a summer full of fun activities and great field trips. The following programs will be offered for children ages 5-10.

Week 1: July 14-18

"Artists Explore"

This week we will explore the world of art. We will experience a variety of art mediums such as paint, modeling clay, charcoal, and mosaic tiles. An art show will be presented on Friday to give the children an opportunity to show off their fine work.

Week 2: July 21-25

"Iron Chefs"

This week we will have fun with cooking as we prepare a food or drink item each day. We will learn all about measuring, mixing, cooking, and, of course, tasting! Plan to attend our "Sip & Munch" event on Friday to sample our work.

Week 3: July 28-August 1

"Smile for the Camera"

This week we will explore the art form of photography! We will go on a walk each day to observe the nature, people, and architecture of the Empire State Plaza and surrounding neighborhoods. Our experiences will be documented in photographs and displayed on Friday.

Week 4: August 4-August 8

"Science is Fun!"

We will discover the fun of science with various experiments throughout the week. Each child will also have the opportunity to design and conduct an experiment on a topic of his/her choice. A science fair will be on display on Friday for friends and family.

Week 5: August 11-August 15

"Lights, Camera, Action!"

This will be a fun and exciting week for anyone who loves the theater! We will be writing, directing and acting in our own play. There will be one show only on Friday afternoon, so make sure you get your tickets early!

Week 6: August 18-August 22

"Pets-R-Us"

This week we will learn about different types of pets and how to care for them. Everyone will bring in pictures of their pets (or pets they someday hope to own) and share them with the class. We will have a pet food drive throughout the week and will invite families to donate a pet food product. On Friday we plan to take a bus to the local Humane Society to donate all the food we collect.

Week 7: August 25-August 29

"Let's Go Team!"

Our final week will focus on team sports and team work. Some of the sporting events will include relay races, obstacle courses, and, of course, bowling! On Friday we will have a ribbon ceremony as well as a good bye party to send all of our friends off to a new school year.
